Founded in 1984, Concord Community Music School (CCMS) fosters a sense of community by providing a full array of musical learning and performance experiences for students of all ages, abilities, and backgrounds.

CCMS reaches across barriers of income, disability, ethnicity, and perception to bring people together around the love of music. In keeping with our mission to make music available to all who wish to learn and enjoy it, approximately 45% of CCMS students receive financial aid.

The Music School currently enrolls more than 1,100 students from across more than 100 New Hampshire municipalities (as well as from Vermont, Massachusetts, and Maine) at our 23,000-square foot facility in downtown Concord. These students come predominantly from Merrimack and Hillsborough counties.

Our faculty of 50 provides comprehensive on-site instruction to students of all ages and abilities, from pre-school to adult. Students may elect to participate in group classes, private lessons (25 instruments and voice), choruses, instrumental ensembles (classical, jazz, and folk), workshops, and expressive arts therapy. In the summer, CCMS offers numerous day programs, including three weeks of Creative Arts Camps, Jam Camp, Piano Dynamos, String Week, and a new Puppetry Camp.

CCMS serves an additional 400 students offsite through our free outreach programs and Music in the Community Initiative (MICI) with area nursing homes, schools, daycare centers, and mental health agencies. We also entertain and inform the public through more than 200 concerts, recitals, lectures, and other events each year.
